

Spring Term 1: Edition 5

Friday 6th February 2026

السلام عليكم ورحمة الله وبركاته

Dear Parents, Guardians and Darul Madinah Family,

It has been a fun, busy, and exciting week in school, with the children taking part in two very special themed days – Number Day and Hijab Day. It has been wonderful to see the enthusiasm, confidence, and creativity shown by our children throughout the week.

For Hijab Day, the children learned about the importance of the hijab and what it represents. To make the day extra special, we held a dedicated assembly focused on understanding the hijab and the values of modesty, identity, and respect. The children also took part in a range of age-appropriate activities to help support their learning and understanding. It was lovely to see the girls proudly wearing their favourite hijabs, while boys had the opportunity to wear their special prayer hats if they wished. The day was filled with meaningful discussions and positive experiences for all.

A special thank you goes to Khadijah Khan, Alaynah Mahmood, and Asiyah Naeem, who kindly visited classes to share their own experiences and speak to the children about the hijab. They did a wonderful job encouraging and inspiring younger pupils, and we are very proud of the confidence, maturity, and leadership they demonstrated.

During Number Day, the children took part in a variety of exciting and hands-on Maths activities. They showed fantastic teamwork and problem-solving skills while building bridges and creating patterns using different shapes and materials. The children also enjoyed decorating cookies and making smoothies, linking maths skills such as measuring, counting, and sequencing into practical and enjoyable activities. One of the highlights of the day was the escape room challenge, where the children worked together to solve clues and puzzles in order to unlock the final code. It was wonderful to see their determination, collaboration, and resilience throughout the challenge.

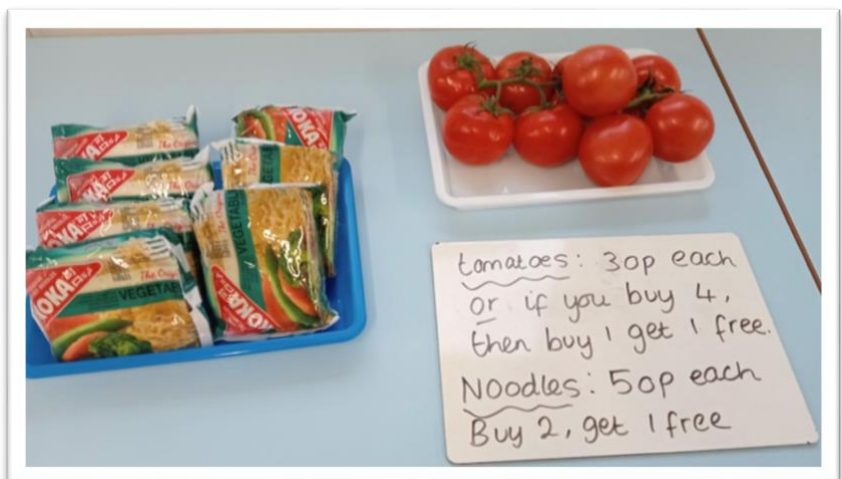

Jazak Allah Khair, as always, for your continued support. We are very proud of the children and the enthusiasm they bring to their learning each day.

Warm Regards,

Sofia Nasir
