

It has been so lovely welcoming the children back after the holiday! They have settled back into nursery routines beautifully and it has been wonderful to see their happy faces, enthusiasm and excitement for learning.

This week, the children have been learning all about Rabi' al-Awwal through a range of creative, hands-on activities and meaningful discussions. The children enjoyed exploring the significance of this special month and learning about some of the Sunnahs.

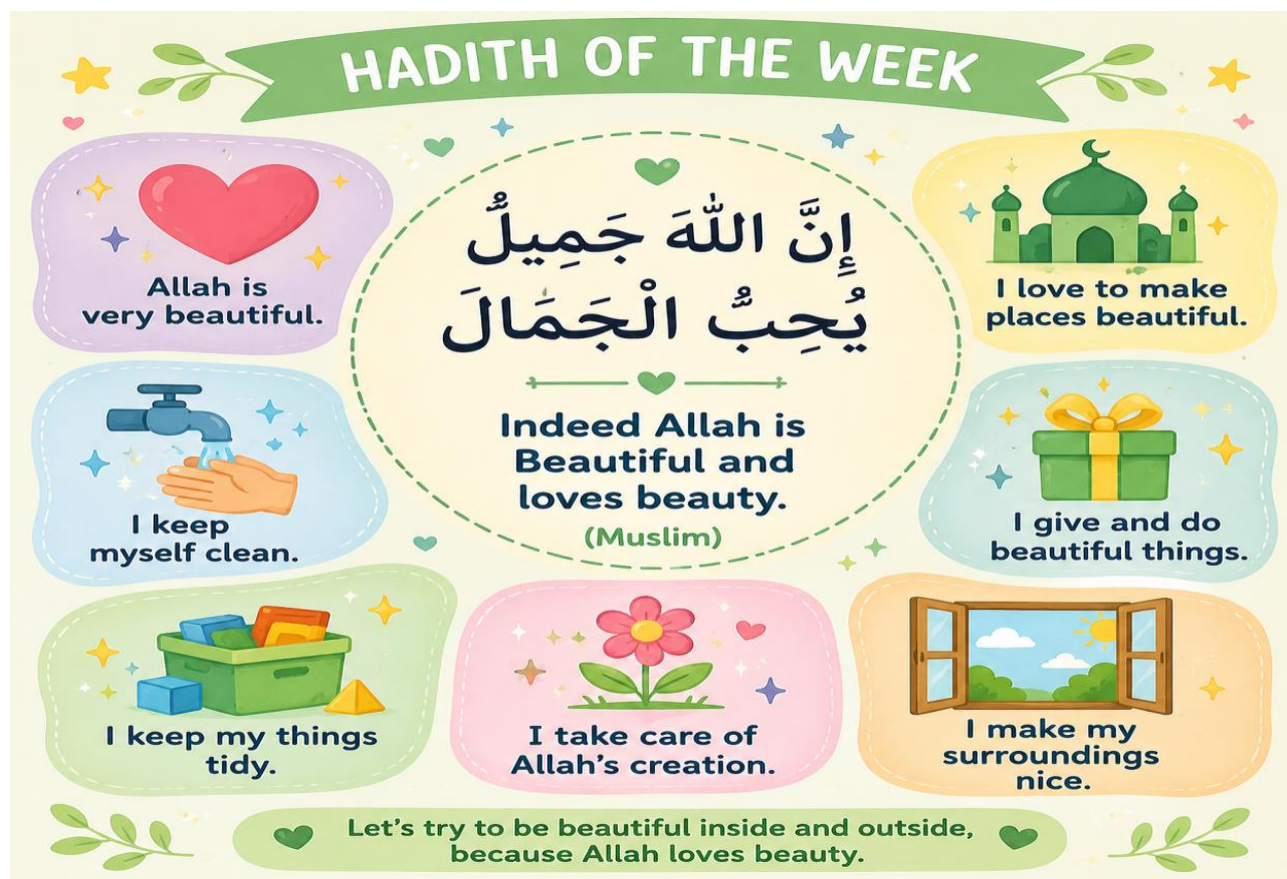

The children enjoyed a range of creative activities linked to our theme of Rabi' al-Awwal. They made and decorated their own moons and stars using paper plates, paints and glitter, and used playdough to mould stars and moons while developing their fine motor skills and creativity.

The children also worked together to build and decorate a large mosque using recycled and junk-modelling materials, as well as creating beautiful mosque collages using a variety of different materials, colours and textures.
