Autumn Term 1: Edition 2

Friday 25 September 2026

As we come to the end of our second week back, the children have continued to settle well into their nursery routines. It has been lovely to see them becoming familiar with the daily structure and engaging positively with their learning, play and activities.

This week, the children have been learning all about Wonderful different scents. Creating and decorating their own plant pots using a variety of different resources and materials. They had lots of fun making their pots colourful and unique while developing their creativity and fine motor skills.

The children enjoyed a range of creative activities we talked together about foods and things that smell nice and those that don't smell so nice. The children shared their ideas and experiences, using words to describe different scents and discussing which smells they liked and disliked

The children also worked very hard to create and decorate their own scented flowers. The children explored many different smells while creating beautiful flowers, encouraging them to use their senses and talk about what they could smell

Arabic and Islamic Studies:

This week in Arabic Studies, the children have been learning the letter (ا) **Alif**, focusing on recognising its shape, name and pronunciation. Through fun games, songs and engaging activities, the children have been developing their confidence in recognising Arabic letters and learning new vocabulary.

This week in Islamic Studies, the children explored how **Allah ﷻ has blessed us with many different body parts**. We talked about our eyes, ears, nose, mouth, hands and feet, and discussed how each body part helps us in our daily lives. The children were encouraged to appreciate these wonderful blessings and say **Alhamdulillah** for everything Allah ﷻ has given us.

We also continued practising **Surah Al-Fatihah**, revisiting our Islamic greetings and learning simple words of dhikr, including **SubhanAllah, Alhamdulillah and Allahu Akbar**. 🌙🌟
