

This week, our nursery children have been learning all about Goldilocks and the Three Bears. Through a range of exciting activities, the children explored the story while developing their communication, creativity and early mathematical skills.

The children enjoyed using playdough to mould and create their own bears. They carefully rolled, squeezed and shaped the playdough to make different parts of the bear, helping to strengthen their fine motor skills and hand muscles.

The children showed great creativity as they decorated their own bear pictures. They selected colours and materials independently and took pride in creating unique bear designs linked to our story theme.

Our sensory play activity provided the children with opportunities to explore different textures using flour and oats. They enjoyed scooping, pouring and mixing the materials while developing their sensory awareness, language skills and curiosity through play.

The children had lots of fun decorating bear masks using a variety of craft materials. Once completed, they enjoyed wearing their masks and engaging in imaginative role-play inspired by Goldilocks and the Three Bears.

As part of our Maths learning, the children sorted bears according to their size. They compared different bears and discussed whether they were small, medium or large, developing their understanding of size and comparison vocabulary. Throughout the week, we focused on the key mathematical language of *small, medium and large*. The children practised identifying and describing objects by size during activities and play, helping to build their confidence in using comparative language.

Islamic and Arabic Studies

This week in Islamic Studies, the children learned about Umar ibn al-Khattab رضي الله عنه and explored the great importance of honesty. They continued practising the Qasida Al-Burdah, as well as the Duaa to recite when drinking milk.

In Arabic, the children continued learning the names of animals in Arabic. They took new vocabs : خروف - horse / قطه - Cat / خروف - Sheep

Term 6 (38 Days)	
25 th May – 29 th May 2026	Half Term Holiday
1 st June 2026	Start of Term for Children
9 th June 2026	School Photo Day
2 nd July 2026	Chobham Farm Trip
15 th July 2026	Nursery Graduation
22 nd July 2026	End of Term for Children
23 rd July 2026	Summer Holiday

Reminders:

- Please ensure all clothing, bags, and bottles are clearly labelled.
- Please ensure that spare nappies, wipes, and spare clothing are provided at the beginning of the week in your child's bag.
- Please provide (if you have not already), £1 per week for snack or £7 for the term
- For children who are three years old or approaching three, we kindly request that during the half-term holidays, parents begin potty training. Developmentally, children should not be in nappies after the age of three.
- Please ensure the children have suitable clothing and water as it will be warmer in the coming months

Jazakum Allahu Khairan for your continued support and involvement in your children's learning journey.
